Civil Action File No. \_\_\_\_\_

PETITIONER'S MOTION TO DISMISS A PROTECTIVE ORDER

Comes now, the above named Petitioner, and files this (Motion to Dismiss a Pending Petition for a Temporary Protective Order) or (Motion to Dismiss an Existing Protective Order). I am doing so freely and voluntarily. No threats, promises, or agreements have been made towards me or with me to file this dismissal. I am doing this of my own voluntary act. I understand that by dismissing this action that I will not be protected or covered by any Protective Order that could have been put in place or that already is in place. I understand that the above named Respondent will no longer be prohibited from contacting me or coming around me.

My primary reason I making this decision is: (choose all that apply)

- parties have reconciled / are back together
- Respondent is in jail / prison
- I disagree with the order
- do not believe it is still needed
- parties no longer live near each other
- parties have children together

other: \_\_\_\_\_

Based upon this, I request the Court to dismiss my case.
